

STURDI-STORAGE
SELF-STORAGE SOLUTIONS

WE **BUILD** FOR **LIFE**

Whirlwind Building Systems manufactures a complete line of metal buildings for the self storage, architectural, industrial, agricultural, residential, and municipal markets; offering concealed and exposed fastener roof and wall panels. Products are offered in a variety of gauges, colors, and warranties including Energy Star certified colors, wind and hail listings.

With over 60 years of experience, and plant locations in four states, Whirlwind is committed to providing customers with the highest quality buildings at the lowest possible prices, with exceptional customer service.

WHY STURDI-STORAGE?

- Wide selection of floor plans to fit your property.
- Complete, easy to follow erection drawings.
- Fast and economical installation with fewer parts and pieces.
- All plans sealed by a licensed engineer.
- Mix and match bay spacings based on 5' x 5' grids.
- Variety of wall and trim colors.
- 40 year color warranty on exterior roof and wall panels.
- 25 year warranty on acrylic coated GALVALUME®
- Quick deliveries on-time.
