---

**ENERGY STAR APPROVED COLORS** - Colors indicated with the Energy Star Logo have been approved by Energy Star and can help save on your energy costs.

**GREEN** - Whirlwind believes in helping the environment which is why 32-66% of all Whirlwind material is recycled. Our products are made from recycled material and are also recyclable.

**LEED POINTS AVAILABLE** - Our products can qualify for LEED points through recycle content, emissivity and reflectivity ratings and Energy Star.

Actual colors may vary from sample shown. Color chips are available upon request. Whirlwind colors may not match those of other companies despite the color names being identical. Whirlwind colors may not match the color of existing adjacent panels, even if the panels are our standard colors. Please contact your salesperson for complete details.
