

WHIRLWIND STEEL

BUILDINGS & COMPONENTS

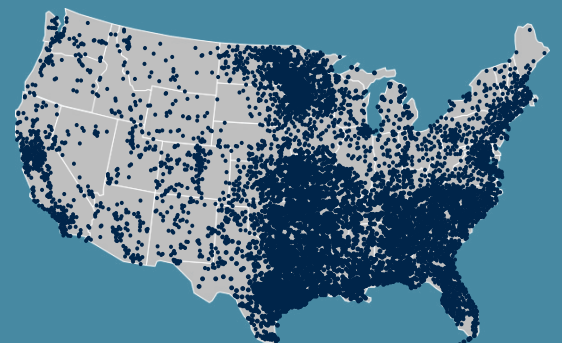

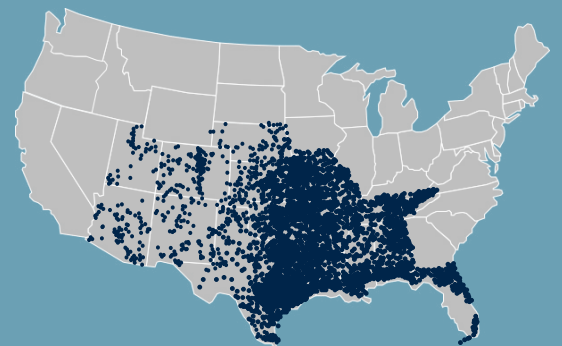

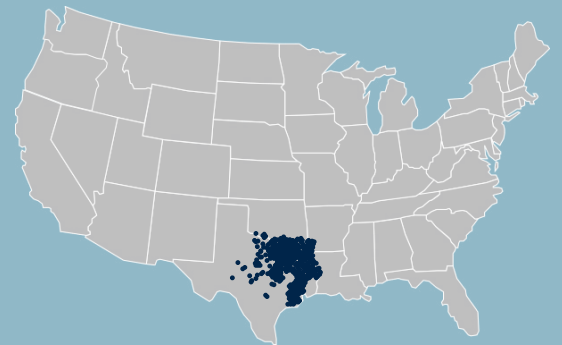

We've completed over
40,000 projects since 2000.

SHOULDN'T YOURS BE NEXT?

For 64 years Whirlwind Steel has been more than a manufacturer of steel buildings and components. We help create the places where people live, learn, work, worship and play.

- 1955** Whirlwind Steel founded.
- 1960** First metal building systems and components manufacturing plant opens in Houston, TX.
- 1998** Second manufacturing plant opens in Lithia Springs, GA
- 2001** Third manufacturing plant opens in Claremore, OK
- 2006** Fourth manufacturing plant opens in Freeport, MN

WE **BUILD** FOR LIFE
